

S900X

SALADETTE - REFRIGERATED COUNTERS

Structure in AISI 304 stainless steel.Height - adjustable plastic feet.AISI 304 stainless steel worktop.Refrigerant fluid R600a.Temperature range 0/+8°C.Control panel with digital thermometer - thermostat.Automatic defrosting and evaporation of condense drain.Standard supplied: a pair of runners per compartment.

Technical features

Temperature ranges, °C	0/+8°C
Net usable volume, lt	213,5
Climate class	4 (+30°C, 55% R.H.)
Refrigerant/GWP	R600a
Refrigeration power at -10°C W	W 200
Frequency/voltage	230V 1N~ / 50Hz
Electric power, kW	0,143

Dimensions and weights

Packing (LxDxH), cm	96x76x102
Dimensions (LxDxH), cm	90x70x88,2
Gross Weight (kg)	102
Net Weight (kg)	81,5
